Victim Advocate Supervisor (Family Advocacy Program Manager) or 3. Health Care Provider (to include Family Advocacy Program Clinical Social Workers). Staff Judge Advocate

- With the increase in deployments into the fall we would like to provide a few reminders regarding powers of attorney:
- A power of attorney gives a person you name (your agent) the power to manage your legal affairs on your behalf.
- There are two types of powers of attorney: the general power of attorney and the special power of attorney.
- A general power of attorney gives your agent unlimited control over your legal affairs.
- A special power of attorney gives your agent the authority to legally bind you in a specific legal transaction.
- General powers of attorney are subject to much more abuse than special powers of attorney because of the greater grant of authority. In choosing either power of attorney, only name someone as an agent who you absolutely trust.
- Many financial institutions and Army directorates will not honor a general power of attorney. Always get a special power of attorney to:
 - Sign for or clear military quarters.
 - Purchase, sell, rent or lease real property.
 - File a claim with the JAG office.
 - Conduct any business with TRICARE, DFAS, or to get a military ID card
 - Register a vehicle.
 - Conduct financial transactions with a bank.
 - Provide child care for a dependant.
- Powers of attorney can be rejected by businesses in Kansas at their discretion. If you know of a transaction that must be completed during a deployment coordinate with the business in advance to ensure your power of attorney will be approved
- Powers of attorney are available on a walk-in basis 9:00am-5:00pm, Monday-Friday at the Legal Assistance Office, Bldg.200, Room 106, 239-3117.
